

## *Correction*

The authors of “Harnessing Technology to Improve Formative Assessment of Student Conceptions in STEM: Forging a National Network” (CBE Life Sci. Educ. [2011] 10, 149–155) wish to make the following correction to the references. The Nehm, Ha, Mayfield (2011) reference was incorrect. The correct reference is Nehm RH, Haertig H (2011), as shown below.

### **REFERENCE**

Nehm RH, Haertig H (2011). Human vs. computer diagnosis of students’ natural selection knowledge: testing the efficacy of text analytic software. J Sci Educ Technol 21, 56–73.
