

## *Correction*

The authors of “The Teaching Practices Inventory: A New Tool for Characterizing College and University Teaching in Mathematics and Science” (CBE Life Sci. Educ. [2014] 13, 552–569; doi:10.1187/cbe.14-02-0023) have made a correction to Table S1 in the supplemental materials.

The corrected supplemental table was uploaded to the website on 21 January 2015. The corrected version, however, may not be reflected on other websites where the paper appears.
