

Correction

The authors of “Student Buy-In to Active Learning in a College Science Course” (CBE Life Sci. Educ. [2016] 15, ar76; doi:10.1187/cbe.16-07-0212) wish to make the following corrections to their article. The middle initials of two authors were omitted from the manuscript. The two authors are Brian A. Couch and Mary F. Durham. Also the authors have added an acknowledgments section that reads:

“ACKNOWLEDGMENTS: Support for this research was provided by a National Science Foundation NSF-TUES grant, #1323258.”

The correction was made to the html and PDF versions of the paper on the website on January 10, 2017. The corrected version, however, may not be reflected on other websites where the paper appears.
