Mixed Student Ideas about Mechanisms of Human Weight Loss

The authors of “Mixed Student Ideas about Mechanisms of Human Weight Loss” (*CBE—Life Sciences Education*, 18(3), ar37, DOI:10.1187/cbe.18-11-0227) have made a correction to a sentence in the *Methods*.

The original text (found on the top of page 3, second line from the top of the second column):

We collected a total of 2445 student responses from students in introductory biology classes for life science majors, because these courses often cover energy and matter transformations in cellular respiration.

Correction

We collected a total of 3100 student responses from students in introductory biology classes for life science majors, because these courses often cover energy and matter transformations in cellular respiration.
