Incorporating a Research Article into Tutorial Questions

Name/Matric No.(optional)_____; Email (optional) _____

I appreciate your feedback. Your answer will NOT affect your scores/grades in this module and will be used for pedagogical research only.

- ❖ **There are TEN research papers in the Supplementary Reading folder,**

Question	Number
How many papers have you downloaded?	
How many papers have you read through quickly?	
How many papers have you read carefully?	

- ❖ **Try to answer the following questions, which are linked to scientific articles.**

(Questions were deleted as they are the same with the CA questions)

- ❖ **To incorporate scientific papers into teaching, I am (circle your choice)**

Very much engaged	engaged	uninterested	Disconcerting	bored
-------------------	---------	--------------	---------------	-------

- ❖ **The reason for your above choice; multiple answers ok.**

- ❖ **Give your suggestions**

Your online feedback through IVLE is also greatly appreciated.
