

# Supplemental Material

*CBE—Life Sciences Education*  
Campbell et al.

References Categorized in Content Analysis done in Campbell, C., Nehm, R. H., and Morton, B. Evaluating Assessment Quality in Genomics and Bioinformatics Education Research

## Key

Curricular Level:	Course (C); Lesson (L); Resource (R); Program (P); Professional Development (PD)
Educational Level:	Secondary (S); Undergraduate (U); Graduate (G)
Learning Targets:	Affective (A); Cognitive (Cog); Psychomotor (Psy)
Quality Control:	Validity in Education Research (V); Reliability in Education Research (Rel); validity and reliability in scientific context (Sci)
